

Meeting priorities:

- Discuss the NWEA litigation/settlement agreement before it moves forward
- Start reaching agreement on PPA "Activity Descriptions"
- Mutual understanding of all the work in front of us

Agenda:

NWEA litigation/settlement agreement (NCC, short term mods, etc.)

Discuss in general other litigation and administrative petitions while attorneys are available

PPA 2017 (Comments due April 14, Ecology Public Notice set for May 1)
